- Other Information: Hear Clearly, It's All In A Day's Work: With a full-range speaker unit that's angled upwards so sound is optimised for your ears alone, you'll hear every word clearly while others in the room will barely notice. A passive radiator embedded at the back of the unit boosts the bass to ensure the sound is well-balanced, making every meeting effortless. | Be Heard, Even When Home Is Noisy: Whatever's going on around you, your voice will always be heard clearly thanks to Precise Voice Pickup Technology. A high-quality beam-forming array using two microphones, combined with advanced audio signal processing means that the SRS-NB10 minimises feedback and echo, whilst delivering crystal clear voice quality to the person, or people, on the call.
